

The best life we can live, is a life that is modeling Jesus Christ.

How can the world taste and see if we are not the salt and light?

3 Purposes of Salt

- **Preservative** - Preservatives of the word of God.
- **Antiseptic** - Bring healing to those that are hurting
- **Seasoning** - Enhance the life of others (bring joy)

What is the aftertaste that you leave in the mouth of the people that you meet?

“There should be a sheer sparkle about the Christian but too often he dresses like a mourner at a funeral, and talks like a specter at a feast. Wherever he is, if he is to be the salt of the earth, the Christian must be the diffuser of joy.”

3 Purposes of Light

- **Life-giving**
 - We should be encouraging and speak life into others
- **Spectrum**
 - We should work together with our unique gifts and talents to put forth the brightest light
- **Invasive**
 - It is in the darkest moments that we need to shine the brightest

All of the good deeds we do should cause others to praise God.

What if how you lived your life was the only picture of God that someone ever had?

What would it look like if we became the salt and the light?

Being the salt and light allows others to taste and see the goodness of God.
